PERSONAL FINANCE

- Do you know what your net worth is?
- If you're setting up a personal accounting system, the specialized chart of accounts included in this package can save you both time and money!

What the enclosed disk will do for you:

- Helps you set up and use your General Ledger Accounting System
- The enclosed data disk provides a standard Chart of Accounts for your PERSONAL FINANCES based on how you can successfully control and measure your individual accounts
- You can change the accounts on the disk with your Commodore General Ledger System by adding or deleting specific G/L accounts
- Helps you to communicate with your accountant by providing a sound framework for discussion
- Some examples of PERSONAL FINANCE accounts are:
  - Household Improvements and Repairs
  - Life Insurance
  - Checking Account—Cash
  - Investments
  - Vacations

Technical Information: For use with G/L system on Commodore Plus/4: File capacity 300 accounts . . . or G/L system on Commodore 64: File capacity 150 accounts.
